

BAKING BREAD & CRAFTING CULTURE™

Team Building Workshop

We've teamed up! Crunchy Bread Culture Studio and The Bellbird Bakeshop have come together to create a workshop that explores making bread (yes, actual bread), and what makes a workplace culture something everyone can sink their teeth into.

This workshop is exclusively designed for leaders committed to driving collaborative, high-functioning team dynamics that stimulate business growth.

Through interactive storytelling and guided facilitation, we make the *intangibles* of culture, *tangible*. All materials are provided on the day of the workshop.

Ideal for teams with a maximum group size of 12 people. Multiple workshops may be booked to accommodate larger groups.

Guests can anticipate collaborating directly with Maria leading up to the workshop to ensure the experience is thoughtfully tailored to your business.

We'd love to host your next team building event!
